

Invitation to Draft Your Declaration of Peace

This Declaration of Peace is presented as a draft for review and consideration by the reconveyed State Nationals of Terra Australis. It represents the collective intent to establish and affirm our commitment to peace under Natural Law. We invite feedback, suggested amendments or inclusions, and indications of approval.

Declaration of Peace for Terra Australis

Know all men by these presents:

We, the suverans assembled on the sovereign States on Terra Australis, hereby declare peace among ourselves and with all Nations of the world. This Declaration serves as formal notice that, by our acts and intent, we have created and established Terra Australis as a **true**, peaceful sovereign Nation under **Natural Law** and the principles of 'do no harm', 'cause no loss', 'be honourable in your agreements' and 'keep the peace'.

Declaration of Sovereignty and Intent

We affirm that Terra Australis stands as a **free**, sovereign, and self-governing Nation, founded upon the timeless principles of peace, unity, and the inherent natural rights of all suveran people. We hereby renounce all acts of aggression, hostility, and coercion on or beyond our lands, and are committed to resolving all disputes through means of peace and good will.

Principles for Peace

In order to secure the peace and prosperity of Terra Australis and its people, we invoke the following principles:

1. **Peaceful Conduct:** All men and women, persons and entities operating on the Land and Soil of Terra Australis will act in accordance with the principles of peace, truth, and good will.
2. **Respect for Natural Rights:** No man, woman, person or entity shall infringe upon the natural rights of the suveran people of Terra Australis, nor shall any acts of violence, coercion, or fraud be perpetrated against them.
3. **Nullification of Foreign Domination:** Any remnants of colonial, corporate, or foreign domination that undermine the sovereignty of Terra Australis are hereby declared null and void, effective immediately.

Commitment to International Cooperation

We extend a hand of friendship and cooperation to all Nations and peoples who honour the principles of peace, mutual respect, and lawful self-determination. We declare our intent to engage constructively within the international community, fostering trade, cultural exchange, and shared prosperity for all.

Foundations of Governance

Terra Australis is founded upon Natural Law, recognising the inherent morality, suzerainty, and free will of all people. By our **assembly-based self-governance** structure, governance by the people, for the people is realised. The collective will of the people is enacted, and the elected Offices on the assemblies are accountable only to the people they serve.

We uphold the principles of peace, truth, and good will in all matters of governance.

Conclusion

Let this Declaration stand as a testament to our commitment to peace, freedom, and the creation of Terra Australis as a nation of sovereign States. Let it serve as an invitation to all who share our vision to join us in building a future of unity, abundance, and harmony.
